SUPPLEMENT TO
REPORT NO.

25X1X

1. Col. Voronin, chief of the Department of Industry in the S.M.A. Economic Directorate, ordered that engineers and technicians from various Russian Zone plants be selected and recruited for work in the USSR. The recruitment was made on a voluntary basis. Individuals approached were offered good pay and were informed that their families and household effects could go with them.
2. The following selections were made:
 - BMW, Eisenach
 - Maximilianshütte, Untereichenborn
 - Schumannwerke, Werdau
 - Gustloffwerke, Weimar
 - Waggonfabrik, Dessau
 - Fichtel u. Sachs, Reichenbach
 - Schaeffer u. Budenberg, Magdeburg
3. An unreported number of persons also were recruited at Krupp-Gruson in Magdeburg, the Thale Maschinenwerk, Knorr-Bremse in Berlin, and the Deutsche Kugellagerfabrik in Döhlitz-Ehrenberg.

This document is hereby regraded to
CONFIDENTIAL in accordance with the
letter of 16 October 1978 from the
Director of Central Intelligence to the
Archivist of the United States.
